F. In recognition of the significant public benefits that this Agreement provides, the City Council has found that this Agreement: (i) is consistent with the City of Newport Beach General Plan as of the date of this Agreement; (ii) is in the best interests of the health, safety, and general welfare of City, its residents, and the public; (iii) is entered into pursuant to, and constitutes a present exercise of, City's police power; (iv) is consistent and has been approved consistent with the Final Environmental Impact Report for the City of Newport Beach General Plan 2006 Update (State Clearinghouse No. 2006011119) and the Mitigated Negative Declaration for the Newport Beach Country Club Planned Community District (PA 2008-152 by the City Council on or before the Agreement Date, both of which analyze the environmental effects of the proposed development of the Project on the Property; and (v) is consistent and has been approved consistent with provisions of California Government Code section 65867 and City of Newport Beach Municipal Code chapter 15.45.

G. On _____, 201_, City's Planning Commission held a public hearing on this Agreement, made findings and determinations with respect to this Agreement, and recommended to the City Council that the City Council approve this Agreement.

2. General Provisions.

2.1 Plan Consistency, Zoning Implementation.

This Agreement and the Development Regulations applicable to the Property will cause City’s zoning and other land use regulations for the Property to be consistent with the General Plan.

2.2 Binding Effect of Agreement.

The Property is hereby made subject to this Agreement. Development of the Property is hereby authorized and shall be carried out in accordance with the terms of this Agreement.

2.3 NBCC Representations and Warranties Regarding Ownership of the Property and Related Matters Pertaining to this Agreement.

NBCC and each person executing this Agreement on behalf of NBCC hereby represents and warrants to City as follows: (i) that NBCC is the lessee of the Property; (ii) if NBCC or any co-owner comprising NBCC is a legal entity that such entity is duly formed and existing and is authorized to do business in the State of California; (iii) if NBCC or any co-owner comprising NBCC is a natural person that such natural person has the legal right and capacity to execute this Agreement; (iv) that all actions required to be taken by all persons and entities comprising NBCC to enter into this Agreement have been taken and that NBCC has the legal authority to enter into this Agreement; (v) that NBCC’s entering into and performing its obligations set forth in this Agreement will not result in a violation of any obligation, contractual or otherwise, that NBCC or any person or entity comprising NBCC has to any third party; (vi) that neither NBCC

nor any co-owner comprising NBCC is the subject of any voluntary or involuntary bankruptcy petition; and (vii) that NBCC has no actual knowledge of any pending or threatened claims of any person or entity affecting the validity of any of the representations and warranties set forth in clauses (i)-(vi), inclusive, or affecting NBCC's authority or ability to enter into or perform any of its obligations set forth in this Agreement.

2.4 Term.

The term of this Agreement (the "Term") shall commence on the Agreement Date and shall terminate on the "Termination Date."

Notwithstanding any other provision set forth in this Agreement to the contrary, if either Party reasonably determines that the Effective Date of this Agreement will not occur because (i) the Adopting Ordinance or any of the Development Regulations approved on or before the Agreement Date for the Project has/have been disapproved by City's voters at a referendum election or (ii) a final non-appealable judgment is entered in a judicial action challenging the validity or legality of the Adopting Ordinance, this Agreement, and/or any of the Development Regulations for the Project approved on or before the Agreement Date such that this Agreement and/or any of such Development Regulations is/are invalid and unenforceable in whole or in such a substantial part that the judgment substantially impairs such Party's rights or substantially increases its obligations or risks hereunder or thereunder, then such Party shall have the right to terminate this Agreement upon delivery of a written notice of termination to the other Party, in which event neither Party shall have any further rights or obligations hereunder except that NBCC's indemnity obligations set forth in Article 10 shall remain in full force and effect and shall be enforceable, and the Development Regulations applicable to the Project and the Property only (but not those general Development Regulations applicable to other properties in the City) shall similarly be null and void at such time.

The Termination Date shall be the earliest of the following dates: (i) the tenth (10th) anniversary of the Agreement Date, as said date may be extended in accordance with Section 5 of this Agreement; (ii) such earlier date that this Agreement may be terminated in accordance with Articles 5, 7, and/or Section 8.3 of this Agreement and/or Sections 65865.1 and/or 65868 of the Development Agreement Statute; or (iii) completion of the Project in accordance with the terms of this Agreement, including Owner's complete satisfaction, performance, and payment, as applicable, of all Development Exactions, the issuance of all required final occupancy permits, and acceptance by City or applicable public agency(ies) or private entity(ies) of all required offers of dedication.

Notwithstanding any other provision set forth in this Agreement to the contrary, the provisions set forth in Article 10 and Section 13.10 (as well as any other NBCC obligations set forth in this Agreement that are expressly written to survive the Termination Date) shall survive the Termination Date of this Agreement.

3. Public Benefits.

3.1 Public Benefit Fee.

As consideration for City's approval and performance of its obligations set forth in this Agreement, NBCC shall pay to City a fee that shall be in addition to any other fee or charge to which the Property and the Project would otherwise be subject (herein, the "Public Benefit Fee") in the sum of Ten dollars (\$10) per square foot of construction for the proposed golf clubhouse with the unpaid balance of said Public Benefit Fee increased on the first January 1 following the Effective Date of this Agreement by the percentage increase in the CPI Index between the Effective Date and said January 1st date (the first "Adjustment Date") and thereafter with the unpaid balance of said Public Benefit Fee increased on each subsequent January 1 during the Term of this Agreement (each, an "Adjustment Date") by the percentage increase in the CPI Index in the year prior to the applicable Adjustment Date. The amount of the percentage increase in the CPI Index on the applicable Adjustment Dates shall in each instance be calculated based on the then most recently available CPI Index figures such that, for example, if the Effective Date of this Agreement falls on July 1 and the most recently available CPI Index figure on the first Adjustment Date (January 1 of the following year) is the CPI Index for November of the preceding year, the percentage increase in the CPI Index for that partial year (a 6-month period) shall be calculated by comparing the CPI Index for November of the preceding year with the CPI Index for May of the preceding year (a 6-month period). In no event, however, shall application of the CPI Index reduce the amount of the Public Benefit Fee (or unpaid portion thereof) below the amount in effect prior to any applicable Adjustment Date. NBCC shall pay the Public Benefit Fee at the following time(s): prior to issuance of the first building permit for the construction of the proposed golf clubhouse. Notwithstanding any other provision set forth in this Agreement to the contrary, during the Term of this Agreement City shall not increase the Public Benefit Fee except pursuant to the CPI Index as stated in this Section 3.1. NBCC acknowledges by its approval and execution of this Agreement that it is voluntarily agreeing to pay the Public Benefit Fee, that its obligation to pay the Public Benefit Fee is an essential term of this Agreement and is not severable from City's obligations and NBCC's vesting rights to be acquired hereunder, and that NBCC expressly waives any constitutional, statutory, or common law right it might have in the absence of this Agreement to protest or challenge the payment of such fee on any ground whatsoever, including without limitation pursuant to the Fifth and Fourteenth Amendments to the United States Constitution, California Constitution Article I Section 19, the Mitigation Fee Act (California Government Code Section 66000 *et seq.*), or otherwise. In addition to any other remedy set forth in this Agreement for NBCC's default, if NBCC shall fail to timely pay any portion of the Public Benefit Fee when due City shall have the right to withhold issuance of any further building permits, occupancy permits, or other development or building permits for the Project.

4. Development of Project.

4.1 Applicable Regulations; NBCC's Vested Rights and City's Reservation of Discretion With Respect to Subsequent Development Approvals.

Other than as expressly set forth in this Agreement, during the Term of this Agreement, (i) NBCC shall have the vested right to Develop the Project on and with respect to the Property in accordance with the terms of the Development Regulations and this Agreement and (ii) City shall not prohibit or prevent development of the Property on grounds inconsistent with the Development Regulations or this Agreement. Notwithstanding the foregoing, nothing herein is intended to limit or restrict City's discretion with respect to (i) review and approval requirements

contained in the Development Regulations, (ii) exercise of any discretionary authority City retains under the Development Regulations, (iii) the approval, conditional approval, or denial of any Subsequent Development Approvals that are required for Development of the Project as of the Effective Date, or (iv) any environmental approvals that may be required under CEQA or any other federal or state law or regulation in conjunction with any Subsequent Development Approvals that may be required for the Project, and in this regard, as to future actions referred to in clauses (i)-(iv) of this sentence, City reserves its full discretion to the same extent City would have such discretion in the absence of this Agreement. In addition, it is understood and agreed that nothing in this Agreement is intended to vest NBCC's rights with respect to any laws, regulations, rules, or official policies of any other governmental agency or public utility company with jurisdiction over the Property or the Project; or any applicable federal or state laws, regulations, rules, or official policies that may be inconsistent with this Agreement and that override or supersede the provisions set forth in this Agreement, and regardless of whether such overriding or superseding laws, regulations, rules, or official policies are adopted or applied to the Property or the Project prior or subsequent to the Agreement Date.

Development of the property includes approval of this Agreement, a General Plan Land Use Element Amendment, The Newport Beach Country Club Planned Community Development Plan, a Mitigated Negative Declaration and Site Development Plans that will allow NBCC to reconstruct the existing 23,469 square foot golf clubhouse to a maximum of 56,000 square feet with a maximum building height of 50 feet, subterranean golf cart parking and storage under the golf clubhouse, a golf course maintenance building and to provide an upgraded project entry, parking and landscaping. The project requires the approval of a Coastal Development Permit by the California Coastal Commission.

NBCC has expended and will continue to expend substantial amounts of time and money planning and preparing for Development of the Project. NBCC represents and City acknowledges that NBCC would not make these expenditures without this Agreement, and that NBCC is and will be making these expenditures in reasonable reliance upon its vested rights to Develop the Project as set forth in this Agreement.

NBCC may apply to City for permits or approvals necessary to modify or amend the Development specified in the Development Regulations, provided that the request does not propose an increase in the maximum density, intensity, height, or size of proposed structures, or a change in use that generates more peak hour traffic or more daily traffic and, in addition, NBCC may apply to City for approval of minor amendments to existing tentative tract maps, tentative parcel maps, or associated conditions of approval, consistent with City of Newport Beach Municipal Code section 19.12.090. This Agreement does not constitute a promise or commitment by City to approve any such permit or approval, or to approve the same with or without any particular requirements or conditions, and City's discretion with respect to such matters shall be the same as it would be in the absence of this Agreement.

4.2 No Conflicting Enactments.

Except to the extent City reserves its discretion as expressly set forth in this Agreement, during the Term of this Agreement City shall not apply to the Project or the Property any ordinance, policy, rule, regulation, or other measure relating to Development of the Project that is enacted or becomes effective after the Effective Date to the extent it conflicts with this Agreement. This Section 4.2 shall not restrict City's ability to enact an ordinance, policy, rule, regulation, or other measure applicable to the Project pursuant to California Government Code Section 65866 consistent with the procedures specified in Section 4.3 of this Agreement. In *Pardee Construction Co. v. City of Camarillo* (1984) 37 Cal.3d 465, the California Supreme Court held that a construction company was not exempt from a city's growth control ordinance even though the city and construction company had entered into a consent judgment (tantamount to a contract under California law) establishing the company's vested rights to develop its property consistent with the zoning. The California Supreme Court reached this result because the consent judgment failed to address the timing of development. The Parties intend to avoid the result of the *Pardee* case by acknowledging and providing in this Agreement that NBCC shall have the vested right to Develop the Project on and with respect to the Property at the rate, timing, and sequencing that NBCC deems appropriate within the exercise of NBCC's sole subjective business judgment, provided that such Development occurs in accordance with this Agreement and the Development Regulations, notwithstanding adoption by City's electorate of an initiative to the contrary after the Effective Date. No City moratorium or other similar limitation relating to the rate, timing, or sequencing of the Development of all or any part of the Project and whether enacted by initiative or another method, affecting subdivision maps, building permits, occupancy certificates, or other entitlement to use, shall apply to the Project to the extent such moratorium or other similar limitation restricts NBCC's vested rights in this Agreement or otherwise conflicts with the express provisions of this Agreement.

4.3 Reservations of Authority.

Notwithstanding any other provision set forth in this Agreement to the contrary, the laws, rules, regulations, and official policies set forth in this Section 4.3 shall apply to and govern the Development of the Project on and with respect to the Property.

4.3.1 Procedural Regulations. Procedural regulations relating to hearing bodies, petitions, applications, notices, findings, records, hearings, reports, recommendations, appeals, and any other matter of procedure shall apply to the Property, provided that such procedural regulations are adopted and applied City-wide or to all other properties similarly situated in City.

4.3.2 Processing and Permit Fees. City shall have the right to charge and NBCC shall be required to pay all applicable processing and permit fees to cover the reasonable cost to City of processing and reviewing applications and plans for any required Subsequent Development Approvals, building permits, excavation and grading permits, encroachment permits, and the like, for performing necessary studies and reports in connection therewith, inspecting the work constructed or installed by or on behalf of Owner, and monitoring compliance with any requirements applicable to Development of the Project, all at the rates in effect at the time fees are due.

4.3.3 Consistent Future City Regulations. City ordinances, resolutions, regulations, and official policies governing Development which do not conflict with the

Development Regulations, or with respect to such regulations that do conflict, where NBCC has consented in writing to the regulations, shall apply to the Property.

4.3.4 Development Exactions Applicable to Property. During the Term of this Agreement, NBCC shall be required to satisfy and pay all Development Exactions at the time performance or payment is due to the same extent and in the same amount(s) that would apply to NBCC and the Project in the absence of this Agreement; provided, however, that to the extent the scope and extent of a particular Development Exaction (excluding any development impact fee) for the Project has been established and fixed by City in the conditions of approval for any of the Development Regulations approved on or before the Agreement Date City shall not alter, increase, or modify said Development Exaction in a manner that is inconsistent with such Development Regulations without NBCC's prior written consent or as may be otherwise required pursuant to overriding federal or state laws or regulations (Section 4.3.5 hereinbelow). In addition, nothing in this Agreement is intended or shall be deemed to vest NBCC against the obligation to pay any of the following (which are not included within the definition of "Development Exactions") in the full amount that would apply in the absence of this Agreement: (i) City's normal fees for processing, environmental assessment and review, tentative tract and parcel map review, plan checking, site review and approval, administrative review, building permit, grading permit, inspection, and similar fees imposed to recover City's costs associated with processing, reviewing, and inspecting project applications, plans, and specifications; (ii) fees and charges levied by any other public agency, utility, district, or joint powers authority, regardless of whether City collects those fees and charges; or (iii) community facility district special taxes or special district assessments or similar assessments, business license fees, bonds or other security required for public improvements, transient occupancy taxes, sales taxes, property taxes, sewer lateral connection fees, water service connection fees, new water meter fees, and the Property Development Tax payable under Section 3.12 of City's Municipal Code.

4.3.5 Overriding Federal and State Laws and Regulations. Federal and state laws and regulations that override NBCC's vested rights set forth in this Agreement shall apply to the Property, together with any City ordinances, resolutions, regulations, and official policies that are necessary to enable City to comply with the provisions of any such overriding federal or state laws and regulations, provided that (i) NBCC does not waive its right to challenge or contest the validity of any such purportedly overriding federal, state, or City law or regulation; and (ii) upon the discovery of any such overriding federal, state, or City law or regulation that prevents or precludes compliance with any provision of this Agreement, City or NBCC shall provide to the other Party a written notice identifying the federal, state, or City law or regulation, together with a copy of the law or regulation and a brief written statement of the conflict(s) between that law or regulation and the provisions of this Agreement. Promptly thereafter City and NBCC shall meet and confer in good faith in a reasonable attempt to determine whether a modification or suspension of this Agreement, in whole or in part, is necessary to comply with such overriding federal, state, or City law or regulation. In such negotiations, City and NBCC agree to preserve the terms of this Agreement and the rights of NBCC as derived from this Agreement to the maximum feasible extent while resolving the conflict. City agrees to cooperate with NBCC at no cost to City in resolving the conflict in a manner which minimizes any financial impact of the conflict upon NBCC. City also agrees to process in a prompt manner NBCC's proposed changes to the Project and any of the Development Regulations as may be

necessary to comply with such overriding federal, state, or City law or regulation; provided, however, that the approval of such changes by City shall be subject to the discretion of City, consistent with this Agreement.

4.3.6 Public Health and Safety. Any City ordinance, resolution, rule, regulation, program, or official policy that is necessary to protect persons on the Property or in the immediate vicinity from conditions dangerous to their health or safety, as reasonably determined by City, shall apply to the Property, even though the application of the ordinance, resolution, rule regulation, program, or official policy would result in the impairment of NBCC's vested rights under this Agreement.

4.3.7 Uniform Building Standards. Existing and future building and building-related standards set forth in the uniform codes adopted and amended by City from time to time, including building, plumbing, mechanical, electrical, housing, swimming pool, and fire codes, and any modifications and amendments thereof shall all apply to the Project and the Property to the same extent that the same would apply in the absence of this Agreement.

4.3.8 Public Works Improvements. To the extent NBCC constructs or installs any public improvements, works, or facilities, the City standards in effect for such public improvements, works, or facilities at the time of City's issuance of a permit, license, or other authorization for construction or installation of same shall apply.

4.3.9 No Guarantee or Reservation of Utility Capacity. Notwithstanding any other provision set forth in this Agreement to the contrary, nothing in this Agreement is intended or shall be interpreted to require City to guarantee or reserve to or for the benefit of NBCC or the Property any utility capacity, service, or facilities that may be needed to serve the Project, whether domestic or reclaimed water service, sanitary sewer transmission or wastewater treatment capacity, downstream drainage capacity, or otherwise, and City shall have the right to limit or restrict Development of the Project if and to the extent that City reasonably determines that inadequate utility capacity exists to adequately serve the Project at the time Development is scheduled to commence.

5. Amendment or Cancellation of Agreement

Other than modifications of this Agreement under Section 8.3 of this Agreement, this Agreement may be amended or canceled in whole or in part only by mutual written and executed consent of the Parties in compliance with California Government Code section 65868 and City of Newport Beach Municipal Code section 15.45.060 or by unilateral termination by City in the event of an uncured default of NBCC.

6. Enforcement.

Unless this Agreement is amended, canceled, modified, or suspended as authorized herein or pursuant to California Government Code section 65869.5, this Agreement shall be enforceable by either Party despite any change in any applicable general or specific plan, zoning, subdivision, or building regulation or other applicable ordinance or regulation adopted by City (including by City's electorate) that purports to apply to any or all of the Property.

7. Annual Review of NBCC's Compliance With Agreement.

7.1 General.

City shall review this Agreement once during every twelve (12) month period following the Effective Date for compliance with the terms of this Agreement as provided in Government Code Section 65865.1. NBCC (including any successor to the owner executing this Agreement on or before the Agreement Date) shall pay City a reasonable fee in an amount City may reasonably establish from time to time to cover the actual and necessary costs for the annual review. City's failure to timely provide or conduct an annual review shall not constitute a Default hereunder by City.

7.2 NBCC Obligation to Demonstrate Good Faith Compliance.

During each annual review by City, NBCC is required to demonstrate good faith compliance with the terms of the Agreement. NBCC agrees to furnish such evidence of good faith compliance as City, in the reasonable exercise of its discretion, may require, thirty (30) days prior to each anniversary of the Effective Date during the Term.

7.3 Procedure.

The City Council of City shall conduct a duly noticed hearing and shall determine, on the basis of substantial evidence, whether or not NBCC has, for the period under review, complied with the terms of this Agreement. If the City Council finds that NBCC has so complied, the annual review shall be concluded. If the City Council finds, on the basis of substantial evidence, that NBCC has not so complied, written notice shall be sent to NBCC by first class mail of the City Council's finding of non-compliance, and NBCC shall be given at least ten (10) days to cure any noncompliance that relates to the payment of money and thirty (30) days to cure any other type of noncompliance. If a cure not relating to the payment of money cannot be completed within thirty (30) days for reasons which are beyond the control of NBCC, NBCC must commence the cure within such thirty (30) days and diligently pursue such cure to completion. If NBCC fails to cure such noncompliance within the time(s) set forth above, such failure shall be considered to be a Default and City shall be entitled to exercise the remedies set forth in Article 8 below.

7.4 Annual Review a Non-Exclusive Means for Determining and Requiring Cure of NBCC's Default.

The annual review procedures set forth in this Article 7 shall not be the exclusive means for City to identify a Default by NBCC or limit City's rights or remedies for any such Default.

8. Events of Default.

8.1 General Provisions.

In the event of any material default, breach, or violation of the terms of this Agreement ("Default"), the Party alleging a Default shall have the right to deliver a written notice (each, a "Notice of Default") to the defaulting Party. The Notice of Default shall specify the nature of the

alleged Default and a reasonable manner and sufficient period of time (ten (10) days if the Default relates to the failure to timely make a monetary payment due hereunder and not less than thirty (30) days in the event of non-monetary Defaults) in which the Default must be cured (the "Cure Period"). During the Cure Period, the Party charged shall not be considered in Default for the purposes of termination of this Agreement or institution of legal proceedings. If the alleged Default is cured within the Cure Period, then the Default thereafter shall be deemed not to exist. If a non-monetary Default cannot be cured during the Cure Period with the exercise of commercially reasonable diligence, the defaulting Party must promptly commence to cure as quickly as possible, and in no event later than thirty (30) days after it receives the Notice of Default, and thereafter diligently pursue said cure to completion.

8.2 Default by NBCC.

If NBCC is alleged to have committed a non-monetary Default and it disputes the claimed Default, it may make a written request for an appeal hearing before the City Council within ten (10) days of receiving the Notice of Default, and a public hearing shall be scheduled at the next available City Council meeting to consider NBCC's appeal of the Notice of Default. Failure to appeal a Notice of Default to the City Council within the ten (10) day period shall waive any right to a hearing on the claimed Default. If NBCC's appeal of the Notice of Default is timely and in good faith but after a public hearing of NBCC's appeal the City Council concludes that NBCC is in Default as alleged in the Notice of Default, the accrual date for commencement of the thirty (30) day Cure Period provided in Section 8.1 shall be extended until the City Council's denial of NBCC's appeal is communicated to NBCC.

8.3 City's Option to Terminate Agreement.

In the event of an alleged NBCC Default, City may not terminate this Agreement without first delivering a written Notice of Default and providing NBCC with the opportunity to cure the Default within the Cure Period, as provided in Section 8.1, and complying with Section 8.2 if NBCC timely appeals any Notice of Default with respect to a non-monetary Default. A termination of this Agreement by City shall be valid only if good cause exists and is supported by evidence presented to the City Council at or in connection with a duly noticed public hearing to establish the existence of a Default. The validity of any termination may be judicially challenged by NBCC. Any such judicial challenge must be brought within thirty (30) days of service on NBCC, by first class mail, postage prepaid, of written notice of termination by City or a written notice of City's determination of an appeal of the Notice of Default as provided in Section 8.2.

8.4 Default by City.

If NBCC alleges a City Default and alleges that the City has not cured the Default within the Cure Period, NBCC may pursue any equitable remedy available to it under this Agreement, including, without limitation, an action for a writ of mandamus, injunctive relief, or specific performance of City's obligations set forth in this Agreement. Upon a City Default, any resulting delays in NBCC's performance hereunder shall neither be a NBCC Default nor constitute grounds for termination or cancellation of this Agreement by City and shall, at NBCC's option (and provided NBCC delivers written notice to City within thirty (30) days of

the commencement of the alleged City Default), extend the Term for a period equal to the length of the delay.

8.5 Waiver.

Failure or delay by either Party in delivering a Notice of Default shall not waive that Party's right to deliver a future Notice of Default of the same or any other Default.

8.6 Specific Performance Remedy.

Due to the size, nature, and scope of the Project, it will not be practical or possible to restore the Property to its pre-existing condition once implementation of this Agreement has begun. After such implementation, both NBCC and City may be foreclosed from other choices they may have had to plan for the development of the Property, to utilize the Property or provide for other benefits and alternatives. NBCC and City have invested significant time and resources and performed extensive planning and processing of the Project in agreeing to the terms of this Agreement and will be investing even more significant time and resources in implementing the Project in reliance upon the terms of this Agreement. It is not possible to determine the sum of money which would adequately compensate NBCC or City for such efforts. For the above reasons, City and NBCC agree that damages would not be an adequate remedy if either City or NBCC fails to carry out its obligations under this Agreement. Therefore, specific performance of this Agreement is necessary to compensate NBCC if City fails to carry out its obligations under this Agreement or to compensate City if NBCC fails to carry out its obligations under this Agreement.

8.7 Monetary Damages.

The Parties agree that monetary damages shall not be an available remedy for either Party for a Default hereunder by the other Party; provided, however, that (i) nothing in this Section 8.7 is intended or shall be interpreted to limit or restrict City's right to recover the Public Benefit Fees due from NBCC as set forth herein; and (ii) nothing in this Section 8.7 is intended or shall be interpreted to limit or restrict Owner's indemnity obligations set forth in Article 10 or the right of the prevailing Party in any Action to recover its litigation expenses, as set forth in Section 8.10.

8.8 Additional City Remedy for NBCC's Default.

In the event of any Default by NBCC, in addition to any other remedies which may be available to City, whether legal or equitable, City shall be entitled to receive and retain any Development Exactions applicable to the Project or the Property, including any fees, grants, dedications, or improvements to public property which it may have received prior to NBCC's Default without recourse from NBCC or its successors or assigns.

8.9 No Personal Liability of City Officials, Employees, or Agents.

No City official, employee, or agent shall have any personal liability hereunder for a Default by City of any of its obligations set forth in this Agreement.

8.10 Recovery of Legal Expenses by Prevailing Party in Any Action.

In any judicial proceeding, arbitration, or mediation (collectively, an "Action") between the Parties that seeks to enforce the provisions of this Agreement or arises out of this Agreement, the prevailing Party shall recover all of its actual and reasonable costs and expenses, regardless of whether they would be recoverable under California Code of Civil Procedure section 1033.5 or California Civil Code section 1717 in the absence of this Agreement. These costs and expenses include expert witness fees, attorneys' fees, and costs of investigation and preparation before initiation of the Action. The right to recover these costs and expenses shall accrue upon initiation of the Action, regardless of whether the Action is prosecuted to a final judgment or decision.

9. Force Majeure.

Neither Party shall be deemed to be in Default where failure or delay in performance of any of its obligations under this Agreement is caused, through no fault of the Party whose performance is prevented or delayed, by floods, earthquakes, other acts of God, fires, wars, riots or similar hostilities, strikes or other labor difficulties, state or federal regulations, or court actions. Except as specified above, nonperformance shall not be excused because of the act or omission of a third person. In no event shall the occurrence of an event of force majeure operate to extend the Term of this Agreement. In addition, in no event shall the time for performance of a monetary obligation, including without limitation NBCC's obligation to pay Public Benefit Fees, be extended pursuant to this Section.

10. Indemnity Obligations of NBCC.

10.1 Indemnity Arising From Acts or Omissions of NBCC.

NBCC shall indemnify, defend, and hold harmless City and City's officials, employees, agents, attorneys, and contractors (collectively, the "City's Affiliated Parties") from and against all suits, claims, liabilities, losses, damages, penalties, obligations, and expenses (including but not limited to attorneys' fees and costs) (collectively, a "Claim") that may arise, directly or indirectly, from the acts, omissions, or operations of NBCC or NBCC's agents, contractors, subcontractors, agents, or employees in the course of Development of the Project or any other activities of NBCC relating to the Property or pursuant to this Agreement. City shall have the right to select and retain counsel to defend any Claim filed against City and/or any of City's Affiliated Parties, and NBCC shall pay the reasonable cost for defense of any Claim. The indemnity provisions in this Section 10.1 shall commence on the Agreement Date, regardless of whether the Effective Date occurs, and shall survive the Termination Date.

10.2 Third Party Litigation.

In addition to its indemnity obligations set forth in Section 10.1, NBCC shall indemnify, defend, and hold harmless City and City's Affiliated Parties from and against any Claim against City or City's Affiliated Parties seeking to attack, set aside, void, or annul the approval of this Agreement, the Adopting Ordinance, any of the Development Regulations for the Project (including without limitation any actions taken pursuant to CEQA with respect thereto), any

Subsequent Development Approval, or the approval of any permit granted pursuant to this Agreement. Said indemnity obligation shall include payment of attorney's fees, expert witness fees, and court costs. City shall promptly notify NBCC of any such Claim and City shall cooperate with NBCC in the defense of such Claim. If City fails to promptly notify NBCC of such Claim, NBCC shall not be responsible to indemnify, defend, and hold City harmless from such Claim until NBCC is so notified and if City fails to cooperate in the defense of a Claim NBCC shall not be responsible to defend, indemnify, and hold harmless City during the period that City so fails to cooperate or for any losses attributable thereto. City shall be entitled to retain separate counsel to represent City against the Claim and the City's defense costs for its separate counsel shall be included in NBCC's indemnity obligation, provided that such counsel shall reasonably cooperate with NBCC in an effort to minimize the total litigation expenses incurred by NBCC. In the event either City or NBCC recovers any attorney's fees, expert witness fees, costs, interest, or other amounts from the party or parties asserting the Claim, NBCC shall be entitled to retain the same (provided it has fully performed its indemnity obligations hereunder). The indemnity provisions in this Section 10.2 shall commence on the Agreement Date, regardless of whether the Effective Date occurs, and shall survive the Termination Date.

10.3 Environmental Indemnity.

In addition to its indemnity obligations set forth in Section 10.1, from and after the Agreement Date NBCC shall indemnify, defend, and hold harmless City and City's Affiliated Parties from and against any and all Claims for personal injury or death, property damage, economic loss, statutory penalties or fines, and damages of any kind or nature whatsoever, including without limitation attorney's fees, expert witness fees, and costs, based upon or arising from any of the following: (i) the actual or alleged presence of any Hazardous Substance on or under any of the Property in violation of any applicable Environmental Law; (ii) the actual or alleged migration of any Hazardous Substance from the Property through the soils or groundwater to a location or locations off of the Property; and (iii) the storage, handling, transport, or disposal of any Hazardous Substance on, to, or from the Property and any other area disturbed, graded, or developed by NBCC in connection with NBCC's Development of the Project. The indemnity provisions in this Section 10.3 shall commence on the Agreement Date, regardless of whether the Effective Date occurs, and shall survive the Termination Date.

11. Assignment.

NBCC shall have the right to sell, transfer, or assign (hereinafter, collectively, a "Transfer") NBCC's fee title to the Property, in whole or in part, to any person, partnership, joint venture, firm, or corporation (which successor, as of the effective date of the Transfer, shall become the "NBCC" under this Agreement) at any time from the Agreement Date until the Termination Date; provided, however, that no such Transfer shall violate the provisions of the Subdivision Map Act (Government Code Section 66410 et seq.) or City's local subdivision ordinance and any such Transfer shall include the assignment and assumption of NBCC's rights, duties, and obligations set forth in or arising under this Agreement as to the Property or the portion thereof so Transferred and shall be made in strict compliance with the following conditions precedent: (i) no transfer or assignment of any of NBCC's rights or interest under this Agreement shall be made unless made together with the Transfer of all or a part of the Lease

Property; and (ii) prior to the effective date of any proposed Transfer, NBCC (as transferor) shall notify City, in writing, of such proposed Transfer and deliver to City a written assignment and assumption, executed in recordable form by the transferring and successor NBCC and in a form subject to the reasonable approval of the City Attorney of City (or designee), pursuant to which the NBCC assigns to the successor and the successor assumes from the transferring NBCC all of the rights and obligations of the transferring NBCC with respect to the Property or portion thereof to be so Transferred, including in the case of a partial Transfer the obligation to perform such obligations that must be performed off of the portion of the Property so Transferred that are a condition precedent to the successor's right to develop the portion of the Property so Transferred.

Notwithstanding any Transfer, the NBCC shall continue to be jointly and severally liable to City, together with the successor to NBCC, to perform all of the transferred obligations set forth in or arising under this Agreement unless the NBCC is given a release in writing by City. City shall provide such a release upon the transferring NBCC's full satisfaction of all of the following conditions: (i) the NBCC no longer has a legal or equitable interest in the portion of the Property so Transferred other than as a beneficiary under a deed of trust; (ii) the transferring NBCC is not then in Default under this Agreement and no condition exists that with the passage of time or the giving of notice, or both, would constitute a Default hereunder; (iii) the transferring NBCC has provided City with the notice and the fully executed written and recordable assignment and assumption agreement required as set forth in the first paragraph of this Section 11; and (iv) the successor NBCC either (A) provides City with substitute security equivalent to any security previously provided by the transferring NBCC to City to secure performance of the successor NBCC's obligations hereunder with respect to the Property or the portion of the Property so Transferred or (B) if the transferred obligation in question is not a secured obligation, the successor either provides security reasonably satisfactory to City or otherwise demonstrates to City's reasonable satisfaction that the successor has the financial resources or commitments available to perform the transferred obligation at the time and in the manner required under this Agreement and the Development Regulations for the Project.

12. Mortgagee Rights.

12.1 Encumbrances on Property.

The Parties agree that this Agreement shall not prevent or limit NBCC in any manner from encumbering the Property, any part of the Property, or any improvements on the Property with any Mortgage securing financing with respect to the construction, development, use, or operation of the Project.

12.2 Mortgagee Protection.

This Agreement shall be superior and senior to the lien of any Mortgage. Nevertheless, no breach of this Agreement shall defeat, render invalid, diminish, or impair the lien of any Mortgage made in good faith and for value. Any acquisition or acceptance of title or any right or interest in the Property or part of the Property by a Mortgagee (whether due to foreclosure, trustee's sale, deed in lieu of foreclosure, lease termination, or otherwise) shall be subject to all

of the terms and conditions of this Agreement. Any Mortgagee who takes title to the Property or any part of the Property shall be entitled to the benefits arising under this Agreement.

12.3 Mortgagee Not Obligated.

Notwithstanding the provisions of this Section 12.3, a Mortgagee will not have any obligation or duty under the terms of this Agreement to perform the obligations of NBCC or other affirmative covenants of NBCC, or to guarantee this performance except that: (i) the Mortgagee shall have no right to develop the Project under the Development Regulations without fully complying with the terms of this Agreement; and (ii) to the extent that any covenant to be performed by NBCC is a condition to the performance of a covenant by City, that performance shall continue to be a condition precedent to City's performance.

12.4 Notice of Default to Mortgagee; Right of Mortgagee to Cure.

Each Mortgagee shall, upon written request to City, be entitled to receive written notice from City of: (i) the results of the periodic review of compliance specified in Article 7 of this Agreement, and (ii) any default by NBCC of its obligations set forth in this Agreement.

Each Mortgagee shall have a further right, but not an obligation, to cure the Default within ten (10) days after receiving a Notice of Default with respect to a monetary Default and within thirty (30) days after receiving a Notice of Default with respect to a non-monetary Default. If the Mortgagee can only remedy or cure a non-monetary Default by obtaining possession of the Property, then the Mortgagee shall have the right to seek to obtain possession with diligence and continuity through a receiver or otherwise, and to remedy or cure the non-monetary Default within thirty (30) days after obtaining possession and, except in case of emergency or to protect the public health or safety, City may not exercise any of its judicial remedies set forth in this Agreement to terminate or substantially alter the rights of the Mortgagee until expiration of the thirty (30)-day period. In the case of a non-monetary Default that cannot with diligence be remedied or cured within thirty (30) days, the Mortgagee shall have additional time as is reasonably necessary to remedy or cure the Default, provided the Mortgagee promptly commences to cure the non-monetary Default within thirty (30) days and diligently prosecutes the cure to completion.

13. Miscellaneous Terms.

13.1 Notices.

Any notice or demand that shall be required or permitted by law or any provision of this Agreement shall be in writing. If the notice or demand will be served upon a Party, it either shall be personally delivered to the Party; deposited in the United States mail, certified, return receipt requested, and postage prepaid; or delivered by a reliable courier service that provides a receipt showing date and time of delivery with courier charges prepaid. The notice or demand shall be addressed as follows:

Either Party may change the address stated in this Section 13.1 by delivering notice to the other Party in the manner provided in this Section 13.1, and thereafter notices to such Party shall be addressed and submitted to the new address. Notices delivered in accordance with this Agreement shall be deemed to be delivered upon the earlier of: (i) the date received or (iii) three business days after deposit in the mail as provided above.

13.2 Project as Private Undertaking.

The Development of the Project is a private undertaking. Neither Party is acting as the agent of the other in any respect, and each Party is an independent contracting entity with respect to the terms, covenants, and conditions set forth in this Agreement. This Agreement forms no partnership, joint venture, or other association of any kind. The only relationship between the Parties is that of a government entity regulating the Development of private property by the owner of the property.

13.3 Cooperation.

Each Party shall cooperate with and provide reasonable assistance to the other Party to the extent consistent with and necessary to implement this Agreement. Upon the request of a Party at any time, the other Party shall promptly execute, with acknowledgement or affidavit if reasonably required, and file or record the required instruments and writings and take any actions as may be reasonably necessary to implement this Agreement or to evidence or consummate the transactions contemplated by this Agreement.

13.4 Estoppel Certificates.

At any time, either Party may deliver written notice to the other Party requesting that that Party certify in writing that, to the best of its knowledge: (i) this Agreement is in full force and effect and is binding on the Party; (ii) this Agreement has not been amended or modified either orally or in writing or, if this Agreement has been amended, the Party providing the certification shall identify the amendments or modifications; and (iii) the requesting Party is not in Default in the performance of its obligations under this Agreement and no event or situation has occurred that with the passage of time or the giving of Notice or both would constitute a Default or, if such is not the case, then the other Party shall describe the nature and amount of the actual or prospective Default.

The Party requested to furnish an estoppel certificate shall execute and return the certificate within thirty (30) days following receipt. Requests for the City to furnish an estoppel certificate shall include reimbursement for all administrative costs incurred by the City including reasonable attorneys fees incurred by the City in furnishing an estoppels certificate.

13.5 Rules of Construction.

The singular includes the plural; the masculine and neuter include the feminine; "shall" is mandatory; and "may" is permissive.

13.6 Time Is of the Essence.

Time is of the essence regarding each provision of this Agreement as to which time is an element.

13.7 Waiver.

The failure by a Party to insist upon the strict performance of any of the provisions of this Agreement by the other Party, and failure by a Party to exercise its rights upon a Default by the other Party, shall not constitute a waiver of that Party's right to demand strict compliance by the other Party in the future.

13.8 Counterparts.

This Agreement may be executed in two or more counterparts, each of which shall be identical and may be introduced in evidence or used for any other purpose without any other counterpart, but all of which shall together constitute one and the same agreement.

13.9 Entire Agreement.

This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter addressed in this Agreement.

13.10 Severability

The Parties intend that each and every obligation of the Parties is interdependent and interrelated with the other, and if any provision of this Agreement or the application of the provision to any Party or circumstances shall be held invalid or unenforceable to any extent, it is the intention of the Parties that the remainder of this Agreement or the application of the provision to persons or circumstances shall be rendered invalid or unenforceable. The Parties intend that neither Party shall receive any of the benefits of the Agreement without the full performance by such Party of all of its obligations provided for under this Agreement. Without limiting the generality of the foregoing, the Parties intend that NBCC shall not receive any of the benefits of this Agreement if any of NBCC's obligations are rendered void or unenforceable as the result of any third party litigation, and City shall be free to exercise its legislative discretion to amend or repeal the Development Regulations applicable to the Property and NBCC shall cooperate as required, despite this Agreement, should third party litigation result in the nonperformance of NBCC's obligations under this Agreement. The provisions of this Section 13.10 shall apply regardless of whether the Effective Date occurs and after the Termination Date.

13.11 Construction.

Both City and NBCC are sophisticated parties who were represented by independent counsel throughout the negotiations or City and NBCC had the opportunity to be so represented and voluntarily chose to not be so represented. City and NBCC each agree and acknowledge that the terms of this Agreement are fair and reasonable, taking into account their respective purposes, terms, and conditions. This Agreement shall therefore be construed as a whole consistent with its fair meaning, and no principle or presumption of contract construction or interpretation shall be used to construe the whole or any part of this Agreement in favor of or against either Party.

13.12 Successors and Assigns; Constructive Notice and Acceptance.

The burdens of this Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the Parties to this Agreement. All provisions of this Agreement shall be enforceable as equitable servitudes and constitute covenants running with the land. Each covenant to do or refrain from doing some act hereunder with regard to Development of the Property: (i) is for the benefit of and is a burden upon every portion of the Property; (ii) runs with the Property and each portion thereof; and (iii) is binding upon each Party and each successor in interest during its ownership of the Property or any portion thereof. Every person or

entity who now or later owns or acquires any right, title, or interest in any part of the Project or the Property is and shall be conclusively deemed to have consented and agreed to every provision of this Agreement. This Section 13.12 applies regardless of whether the instrument by which such person or entity acquires the interest refers to or acknowledges this Agreement and regardless of whether such person or entity has expressly entered into an assignment and assumption agreement as provided for in Section 11.

13.13 No Third Party Beneficiaries.

The only Parties to this Agreement are City and NBCC. This Agreement does not involve any third party beneficiaries, and it is not intended and shall not be construed to benefit or be enforceable by any other person or entity.

13.14 Applicable Law and Venue.

This Agreement shall be construed and enforced consistent with the internal laws of the State of California, without regard to conflicts of law principles. Any action at law or in equity arising under this Agreement or brought by any Party for the purpose of enforcing, construing, or determining the validity of any provision of this Agreement shall be filed and tried in the Superior Court of the County of Orange, State of California, or the United States District Court for the Central District of California. The Parties waive all provisions of law providing for the removal or change of venue to any other court.

13.15 Section Headings.

All section headings and subheadings are inserted for convenience only and shall not affect construction or interpretation of this Agreement.

13.16 Incorporation of Recitals and Exhibits.

All of the Recitals are incorporated into this Agreement by this reference. Exhibits A and B are attached to this Agreement and incorporated by this reference as follows:

Re: November 17, 2011 Planning Commission Agenda Items 2 (PA 2005-140) and 3 (PA2008-152)

Dear Commissioners:

This letter is written on behalf of one-half of the ownership of the Newport Beach Country Club and Tennis Club (the "Properties")¹ which you are considering tomorrow night.

Comments on Agenda Item 2 (PA2005-140): Newport Beach Country Club, Inc.

We would reiterate our support for the Newport Beach Country Club, Inc. plan as a reasonable exercise of our tenant's authority to improve the leasehold interest, with the inclusion of the revised frontage road (Attachment 1) as reflected in the most recent staff report.

The Frontage Road. The frontage road is preferable from a planning standpoint, and:

1. Is the preference of the Applicant and the above referenced ownership interests;
2. Has been modified to be one-way, narrowed and provides for more desirable turning movements than originally proposed;
3. Provides a greater landscaping setback from PCH to the parking lot (approximately 20' difference) as compared to the "no frontage road" option;
4. Serves the operational needs of the IBC leasehold as well as the longstanding needs of the adjacent Armstrong Nursery;
5. Is consistent with mandates of the City's traffic engineering constraints.

¹ The Fainbarg Family Trust (managed by Irving Chase), the Mira Mesa Shopping Center-West, and the Mesa Shopping Center-East (managed by Elliot Feuerstein), collectively own 50% of the Properties.

Additionally, Attachment 2, the July 13, 2010 letter from the Tenant to the City, describes why maintaining the frontage road is the most prudent and legally defensible option. This should be considered in conjunction with Attachment 3 which sets out the relevant recorded documents, including the *Termination of Access Easement* document (Recordation No. 19970630399). The *Termination* only purports to conditionally terminate certain historic easements, and not others. Simply stated, the public record suggests that enforceable easement rights to the 26.5-foot easement (See, document Nos. 92-662454 and 93-0139174) continue to exist, in favor of Feuerstein and Fainbarg.

No Encumbrance on Fee Interest. Finally, we understand that the Applicant is required through the IBC Development Agreement to provide security for the leasehold improvements. We understand the Tenant has the right to encumber its leasehold interest, however, we do not consent to any new encumbrance or obligation, recorded or otherwise, which affects the underlying fee.

Comments on Agenda Item 3 (PA2008-152): Golf Realty Fund

We incorporate by reference the earlier letters on file relative to our position on this Planning Application and reiterate our position that Golf Realty Fund lacks the right to unilaterally entitle this property.²

Development Agreement. Inasmuch as the City has been provided with the title report, and the Owner's Agreement, we believe the City's decision to withhold the GRF Development Agreement from our review until yesterday is inequitable and unjustified. The Development Agreement suggests that it is binding on the "Property" as defined in section 2.2. and is required to be recorded. Our review of the law suggests that it be amended to require the consent of the Property owners, not just Golf Realty Fund. It should also set out the City's expectation that future discretionary permits and ministerial (building and grading permits) will require all owners' consent.

Planned Community Text. The current Planned Community Text draft does not adequately provide the owner flexibility to adjust the mixed-use element of the zoning allowed by General Plan Land Use designation MU-H3. As 50% of the ownership of this property has not approved the current development plan, we believe that providing such flexibility, and including a specific provision which allows for staff-level amendment, may ultimately allow the parties and the City to meaningfully address a revised plan on a go forward basis.

² We continue to believe that the City's reliance on the former Newport Beach Municipal Code Section 20.90.030(C) in denying our Client's the right to participate on this project is misplaced when the City is clearly relying on the amended Municipal Code for all other matters related to this project.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to be 'WR' with a flourish.

Subject: PA 2008–152 Newport Beach Country Club, Frontage Road Access Easement

Dear Ms. Ung:

You recently forwarded to CAA Planning a copy of a First American Title Report (First American Report) dated June 2010 and asked for our review related to the access easement. The First American Report does not identify the existence of an access easement over the frontage road paralleling East Coast Highway. However, the 2008 Fidelity National Title Report (Fidelity Report) submitted by the Newport Beach Country Club (NBCC) does identify this easement. As you know, that easement has been, and continues to be used by motorists who patronize the Armstrong Nursery.

Based on our review of the First American Report, we concur that it does not disclose the 26.5 foot access easement (Instrument No. 93-0139174) identified in the Fidelity Report in favor of Russell Fluter, included as Attachment 1. The Fidelity Report correctly captured the 1993 Easement Deed granted to Russell Fluter by the Irvine Company, included as Attachment 2. As we have previously discussed, a 25 foot access easement over the frontage road held by Messrs Feuerstein and Fainbarg was terminated in 1996. The termination of the 25 foot easement is included as Attachment 3.

Records maintained by the County of Orange Recorder's office show a 2009 quitclaim deed and release of easement (Instrument No. 93-0139174) from Mr. Fluter to Messrs Feuerstein and Fainbarg. The quitclaim deed and release of easement is included as Attachment 4. The County Recorder's office does not show any subsequent action by Mr. Feuerstein or Mr. Fainbarg to terminate the 26.5 foot easement. We can assure the City of Newport Beach that our client, the NBCC, would have gladly foregone the excessive time and resources to produce site plan alternatives retaining the nursery access easement over the frontage road.

You have asked why the 26.5 foot access easement does not show on parcel map 79-704. It is our understanding that parcel maps are not revised or updated to display such easements. This is why the 1980 parcel map does not depict the 26.5 foot easement from 1993. We contacted First American Title Company in an effort to determine why their report does not capture the

26.5 foot access easement over the frontage road, but they have not responded to our inquiry. In an abundance of caution, the City may wish to inquire of Mr. O'Hill whether he has documentation verifying the termination of the 26.5 foot easement following the 2009 release from Mr. Fluter to Messrs Feuerstein and Fainbarg.

Please contact us at your earliest convenience if you have any questions. Thank you.

TERMINATION OF ACCESS EASEMENT

THIS TERMINATION OF ACCESS EASEMENT is made as of November 30, 1996, by ARNOLD D. FEUERSTEIN and ALLAN FAINBARG (collectively referred to as "Owners"), who are the fee owners of the property located at 1500 E. Pacific Coast Highway, Newport Beach, California, legally described on Exhibit "A" attached hereto and incorporated herein by this reference (the "Property")

ARTICLE I RECITALS

A. The Property is partially served for ingress and egress by a secondary access road which runs parallel and adjacent to Pacific Coast Highway and is located upon the adjacent Newport Beach County Club property (the "Secondary Access").

B. The Property's rights to use the Secondary Access is by way of that certain non-exclusive easement and right of vehicular and pedestrian ingress and egress set forth in that certain instrument entitled "Declaration of Access Easement" dated as of September 29, 1992 and recorded on October 1, 1992 as Instrument No. 92-662452 in the Official Records of Orange County, California, as amended by that certain First Amendment to Declaration of Access Easement dated as of October 15, 1992 and recorded March 1, 1993 as Instrument No. 93-0139175 in the Official Records, such easement being described on Exhibit "B" attached hereto and incorporated herein by this reference ("the Existing Easement").

C. The City of Newport Beach has requested that the Existing Easement be abandoned because the Secondary Access creates a hazardous traffic condition at the entry to Newport Beach Country Club and contributes to an unsightly condition along Pacific Coast Highway, and Owners concur and are willing to comply with the City's request to abandon the Existing Easement.

D. Owners of the adjacent Newport Beach Country Club property intend to remove the Secondary Access through a portion of the Newport Beach Country Club property described in Exhibit "C" and replace it with landscaping along Pacific Coast Highway per Newport Beach Country Club Master Plan, Tentative Tract 15348, and a landscape plan approved by the City of Newport Beach. The result will be a significant aesthetic improvement along Pacific Coast Highway.

ARTICLE II
TERMINATION OF ACCESS EASEMENT

1. Owners hereby terminate and relinquish their rights in the Existing Easement.

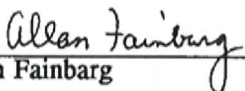

2. Owners' termination of the Existing Easement is conditioned on the City of Newport Beach not prohibiting ingress and egress to the Property primary and direct access from the existing two Pacific Coast Highway curb cuts in front of the Property which have been in use for many years.

Re: NBCC PCD Compromise 11

Attached is Master Plan Compromise 11 responsive to your comment letter dated November 2, 2011.

In my professional opinion, 1) Master Plan Compromise 11 shows that the IBC Golf Clubhouse and the GRF Golf Parking Lot Design can easily work together with IBC's cooperation and 2) GRF's Golf Parking Lot design shown on Master Plan Compromise 11 is a much better aesthetic and pedestrian solution than IBC's golf parking lot.

Below is a detailed response to your letter with their comments shown first in black followed by my responses in blue italics.

- Plan indicates 334 parking spaces but actual count is 327 plus 5 spaces in the Maintenance Yard total count = 332 spaces

Please see the attached Master Plan Compromise 11 where an additional 7 parking spaces have been added and 5 spaces in maintenance yard eliminated for a total of 334. (Parking Required is 244 spaces) If the GRF Golf Parking Lot design is adopted GRF has agreed to make available to IBC the non-exclusive parking easement over Corporate Plaza West for weekends and holidays for an additional 554 additional parking spaces.

- Plan does not address existing access easement. If easement is maintained, this will further reduce parking spaces.

The Frontage Road Easement has been terminated. The City of Newport Beach Planning Commission at their October 2011 hearing indicated that they unanimously desire a golf parking lot site plan without the hazardous and unsightly Frontage Road. If Frontage Road remains the primary loss will be to the significant landscape buffer along PCH and traffic safety. Until that Public hearing IBC has always indicated that IBC preferred a site plan without the Frontage Road.

- Plan does not allow semi-trucks to maneuver in the parking lot. No staging areas for major events.

Please see the LSA Study and Stearns Architecture prior Major Tournament Staging Plan demonstrating that trucks can maneuver in the parking lot and staging areas for major events can be accommodated.

- Plan reduces the upper level prime parking by 32 spaces.

The IBC plan has approximately 80 cars in the upper level parking area. The GRF Compromise 11 has 57 cars in the upper level parking area. The GRF plan makes all the parking better and does not have the significant grade difference between prime golf parking and secondary parking shown in the IBC plan requiring stairways with an extensive number of steps from the very large secondary parking area. Master Plan Compromise 11 has 2 additional parking stalls adjacent to the Golf Clubhouse.

- Plan provides only one sidewalk in the parking lot. Travel distance to the sidewalk at the east parking lot is approximately 290' and approximately 230' at the west parking lot. This layout will encourage members to "cut through" the landscaped islands and between cars (shortest path to the front door.

Two more pedestrian sidewalks have been added in attached Compromise 11. The Master Plan Compromise 11 is more pedestrian and golf cart friendly. (See the LSA Study)

- The primary access to parking from the Porte Cochere is offset requiring two turns to access parking lot.

With both the GRF and the IBC plans there are two turns. With Master Plan Compromise 11 there are two turns when leaving the Porte Cochere and going to the parking area. With the IBC's schematic plan there are two turns when leaving the parking area and returning to the Porte Cochere.

- Plan encroaches 10'-20' into the golf course at the 18th green area.

Please see the revised Master Plan Compromise 11 which eliminates encroachment.

- Plan encroaches into Maintenance Yard.

Please see Master Plan Compromise 11, which eliminates this very minor encroachment.

- 5 spaces in the Maintenance yard should be deleted. This space is allocated for golf course maintenance bins.

See attached Master Plan Compromise 11 where the 5 spaces in the Maintenance Yard have been deleted.

- Due to the terraced parking concept, taller plant material will be required to effectively conceal the automobiles. See attached section.

With the terraced design the goal is not to conceal the cars but to mitigate the "Sea of Asphalt" and to create a far more aesthetic environment and public view from PCH. Much of the time the parking lot is mostly empty.

- Plan indicates reduced service yard.

Please see the attached Master Plan Compromise 11 with no reduction to Maintenance Yard area.

- Plan indicates an 85' driveway along Coast Highway between NBCC and the Nursery. City may have some issues.

Please see Master Plan Compromise 11, which eliminates the 85' driveway and is now identical to IBC's Preliminary Site Plan.

- Orientation of the Clubhouse has changed.

The Golf Clubhouse in Compromise 11 is now in the identical location as IBC's Preliminary Site Plan.

On a related point since I have not heard back from you regarding development of the cohesive, comprehensive Landscape Plan, Master Plan Lighting and Sign Plan which I assume we are in agreement on doing.

Sincerely yours,

Leland Stearns
